BRIEF ABSTRACT OF LETTER.

State that the sante at Chendapur has been abruptly stopp and that there is plague at Anekal and request that the Sante may be kept on for 3 or 4 months more to enable them to recover their advances and loans to the gardeners & others towards the ~~procur~~ purchase of the produce in the neighbourh

NOTES AND ORDERS.

Dewan's remarks:—

1. cc This seems to be a commercial concern and there does not seem to be any objection to the tem-porary Continuance of the sante asked for, in spite of the fact that the income of the Anekal Municipality suffers
2. The Question of its further continuance may also be discussed." —

7. Against reason no(1) it may be urged that the fall in the income from fees is due probably more to the system of collection by Amani than to the decrease in the trade transacted at the saute. The collection may improve if the system of leasing out the right to collect fees is introduced.

8. Against reason no(2) the deterioration in the trade of Anekal town is probably the result of the frequent recrudence of plague there and the consequent emigration of the merchants than to his fair as ~~recorded~~ stated by Mr H. H. Sparkes in his letter 169 dated 4.1.12. The following remark of the late First Councillor on 19.4.11 may not be out of place here:-

"We should consult the convenience of the public and not of the ~~pa~~ merchants of Anekal"

It is also understood that the proposal to abolish the levy of octroi in municipalities is hanging fire as being opposed to the modern ideas

9. Against reason no(3) Sanctes at Madivala & other places were probably in existence even before the saute at Chendapur was first opened in 1900 when the then Dy Commr reported that this fair was a ~~bad felt~~ want badly felt and that it would not conflict with the then existing Sautes'. Further the Spirit of the resolution of the District Board dated 24th Feb 1912 seems to indicate that they do not strongly urge the abolition of the Shanbhog

10. The previous references connected with the Shandy are noted above. The Shandy was opened in 1900 & since 1905 the merchants of Anekal have been petitioning against it. The levy of fees was sanctioned in 1909 & fees are being levied from Jan^{y} 1910.

11. In September 1912 the Dy. Com^{r} Bangalore reported that the Shandy may be discontinued ~~as~~ mainly on the grounds that the fees from the Shandy ~~were~~ are decreasing & the octroi revenue of Anekal M^{t} is suffering diminution owing to the existence of the Shandy. The fees realised from the Shandy ~~are~~ amount to

	Rs
Jan^{y} to Decembr 1910 -	937
Jan^{y} to Dece. 1911 -	721
Jan^{y} to March 1912 -	137.

No doubt there is some decrease but it seems to be due more to bad collection, or ~~as~~ the agency employed & collection is the Kotal & the Patel & Shanbogue of the village. Perhaps if the collection is farmed out, the

income may be higher. If the Shandy is discontinued, the Dt. Board will lose the income now derived from the levy of market fees.

12. As regards the loss of octroi revenue to Anekal town which seems to have influenced the Dept. Commr. mest in his recommendation of the discontinuance of the Shandy, the levy of octroi in Anekal was started in 1898-1899 & the revenue therefrom since then is noted in the margin. It will be seen that octroi revenue, instead of decreasing owing to the Shandy, has been increasing since 1905-1906. and the complaint of the Anekal merchants does not seem to have much foundation in fact. Moreover, the trade at Anekal is not handicapped by the levy of octroi, as at present market fees are levied in the Shandy. Thus in both places, duty will have to be paid by the merchants in the shape of octroi & market fees; and there is no

Letter No. S 359 dated 13th/14th February 191 3 from the Deputy Commissioner, Bangalore District.

- - - - - -

Adverting to your letter No. 4432/L.B.163-12-2 dated the 19th December 1912, regarding the continuance of the shandy at Chandapur, Anekal Taluk and calling for a report in the matter, I have the honour to state as follows:-

1. In the Bangalore District, about 42 santes are being held in the several Taluks, and in no sante except the one at Chandapur fees are levied. The holding of the sante at Chandapur and the levy thereat of prescribed fees tentatively for one year were sanctioned by Government in their Order No. 3707-8/ L.B. 336-07-6, dated the 19th October 1909, and again it was ordered to be continued tentatively for another year vide Goven ment Order No. 8734-5/L.B.285-10-3 dated the 24th April 1911. Collection of fees commenced from January 1910, and the actual collections during that year amounted to Rs937. In the subsequent years, collections began to fall of, as may be observed from the statement enclosed. The decrease in the collections is attributed to the collecting agency, viz., the patel and shanbogue of the Chandapur village and the kotwal of the Travellers' Bungalow at Hebgodi, Anekal Taluk not being adequate. Besides, the sante is held on an open ground without any enclosure to prevent smuggling. Further, shops are opened on shandy days for a couple of hours, thus there is much scope to the shop keepers to escape from payment of fees. Unless a large establishment is maintained, it is not possible to expect fair collections owing to the shandy being held in an open maidan. It is a question whether the entertainment of a large collecting agency would be feasible in as much as the collection of fees at the shandy is still in an experimental stage. The present collecting staff is given an allowance of Rs2 per mensem to each of the patel and shanbogue and Rs3 to the kotwal as sanctioned in the Government Order dated 19th October 1909.

Mr. Thumboo Chetty, Superintendent of Police, Bangalore District

Advertising to your letter No. 4482/J.B.183-12-2 dated the 19th December 1912, regarding the continuance of the [illegible] at Chandapur, Anekal Taluk and calling for a report in the matter, I have the honour to state as follows:-

In the Bangalore District, about 42 mantes are being held in the several Taluks, and in no mantu except the one at Chandapur fees are levied. The holding of the mantu at Chandapur and the levy thereat of prescribed fees tentatively for one year were sanctioned by Government in their Order No. 3707-8/J.B. 336-07-3, dated the 19th October 1909, and again it was ordered to be continued tentatively for another year vide Government Order No. 8734-b/J.B.286-10-3 dated the 24th April 1911. Collection of fees commenced from January 1910, and the actual collections during that year amounted to Rs937. In the subsequent years, collections began to fall of, as may be observed from the statement enclosed. The decrease in the collections is attributed to the collecting agency, viz., the patel and shanbogue of the Chandapur village and the kotwal of the Travellers' Bungalow at Hebgodi, Anekal Taluk not being adequate. Besides, the mantu is held on an open ground without any enclosure to prevent smuggling. Further, shops are opened on shandy days for a couple of hours, thus there is much scope to the shop keepers to escape from payment of fees. Unless a large establishment is maintained, it is not possible to expect fair collections owing to the shandy being held in an open medium. It is a question whether the entertainment of a large collecting agency would be feasible, in as much as the collection of fees at the shandy is still in an experimental stage. The present collecting staff is given an allowance of Rs.[illegible] per cent of the patel and shanbogue and 4% to the kotwal as stipulated in the Government Order dated 12th October 1909.

As per personal instructions of the District Superintendent of Police and the Taluk Sheristadar, the tax on shops has been levied according to Govt. rules. As the merchants who were purchasing things beyond the Shandy area from petty shopkeepers began to purchase things within the premises, the tax on heads increased. As the Cattle all have been taken to Hennagara for inspection and in Consequence the no. of cattle that are brought to the shandy is less, the tax on Cattle has become less.

6) In this office letter dated 19-12-12, the Deputy Com.r was requested to reconsider this recommendation regarding the closing of the Chandy at Chandapura and to submit a detailed report in the matter. He was further asked to report particularly as to the unsatisfactory state of the arrangements for the collection of fees at the Chandy & as to what action should be taken to remedy this.

7) The D.C. now reports that the falling off in the fees collected is due to the following reasons.

(1) the inadequacy of the collecting staff employed

(2) the Sante being held in an open Ground, without enclosures, thus making it impossible to prevent smuggling

(3) Shops being open for a few hours & evading payment of the fees.

The further action to be taken as recommended by the D.C. is as follows.

(1) the enclosing of the Ground & the erection of a few Stalls etc

(2) the entertainment of an addl establishment of (a) 4 mutsaddies on Rs 8 Rs each (b) 4 peons at Rs 6 each & (c) a market Sergeant on Rs 15 p.m, ie an estr costing Rs 852 per annum

(3) the abolition of octroi in Inchal M.? & the Grant of a Sum of Rs 500 at least to the M.? from the fees collected at the Shandy -

(1) The reasons assigned by the D.C. for the unsatisfactory character of the collections are far from convincing. Very few Shandies are held within a walled enclosure. The fact that the Shandy is held in an open Ground affords no

Cogent explanation as to why the income from the same market should go on decreasing. The only conclusion to be arrived at from the figures supplied by the D.C. is that the present collection staff is more inefficient than inadequate & that supervision was wanting over their work.

(2) The remedies suggested by the D.C. seem to be impracticable on the face of them. The highest income from the Shandy has been only R. 936 in 1910; & yet the D.C. proposes that the entertainment of an establishment costing Rs 852 per annum & the grant from the fees of a sum of Rs 500 to the Anchal Mt. This is of course obviously impossible. Nor does the D.C indicate specifically whether his suggestions would lead to an increase of the income & if so, by how much. Moreover it is an accepted principle in such cases that the cost of collection should not exceed 10 p.c of the gross income. To justify an expenditure of Rs 852 on estt, there should be the prospect of the income rising to about R. 8000 per

annum. Of this, there does not seem to be any change. It must however be observed that the D.C's proposals cannot be sanctioned as they stand at present.

73) Though the Deputy Com^r thinks that the collection of fees in the Shandy is a difficult matter, it has not prevented certain people from making an offer for the privilege of collecting fees in the market. This shows that there is plenty of room for improvement as regards the management of the collection of fees there.

74) As regards the main question whether the Shandy is to be continued or not the D.C. has not advanced any reasons why it should be discontinued. In fact, his report goes to show that to continue it would be to the advantage of the neighbouring people as it has got certain advantages over the other markets.

75) The Dep^y Com^r has not made out any strong case for the abolition of the Dehoi in Anchal

beyond the making the statement that the Shandy has undoubtedly injured the trade of Anekal. He has not traversed the statements made in this office letter of 15th Dec. 1912 & it does not seem possible to take any steps in the suggested direction, on the slender reasons advanced by the D.C.

76) The P.I. is respectfully suggested that action may be taken on the following lines.

(1) The Shandy should be continued.

(2) The right of collecting fees therein may be sanctioned

(3) The octroi may be continued to be levied at Anekal as hereto. before.

79) In 1905 this Santhe was merely ordered to be continued without making it quite clear that it was to be permanent. Hence representations for & against its continuance are being far too numerously received. To avoid this result, the G.O. now to be issued should make this point quite certain.

80) On 1st Feb 1913, the Supt of Police supervised the collection of fees with the result that Rs 88-9-9 were recovered; and on 8/2/13 the Sub Divisional officer & the Bundobast did the same, realising Rs 76-6-3. At this rate, the yearly gross yield will approximate nearly Rs 4500. More men employed in supervising on these two occasions than normally - but the fact illustrates the conclusion that with proper supervision the revenue may be considerably increased. Want of supervision, probable lack of honesty on the part of the petty officials entrusted with the collection and the absence of a regular system appear seem to be the causes for the decline of revenue.

81) The following suggestions may therefore be kindly considered :—

(a) To make the Santhe permanent as intended in 1905 owing to its general popularity & central situation.

(b) The right of levying fees may be sold yearly as is done in the cases of Tiruttani & Santemanahalli

Subject to the usual terms embodied in the Copy of Notification annexed.

(c) The arrangement should be regarded as purely commercial by the District Board, not less than 75 p.c. of the yearly yield being earmarked for placing it on a permanent footing as follows:—

(i) Construction of Suitable Stalls.

(ii) Construction of compound wall all round.

(iii) Drainage &c.

These works will pay as the revenue can be reasonably expected to increase pari passu with the convenience & efficiency ordered & granted.

& (iv) The acquisition under the L. A. Reg. of the private site on which the Santhe is held. This should be done to begin with to save complications as no better site can be had for the purpose:

2) As regards the objections against the Santhe itself, one of them seems to call for some notice viz that of the Brahmal Municipality to the effect that thereby its octroi revenue is affected. This is not clearly established though there is some truth in the complaint. But the Santhe, being a trade concern beneficial to a larger area and population, cannot be terminated on the strength of that objection; and no claim to compensation can be recognized for loss due to competition

between two powerful trades. The Municipality of Cochin must look to their sources of revenue and the elimination of plague which has been doubtless affecting seriously the local interests of all kinds.

83) In the above note I have attempted to answer the following three points raised by the Dewan, referred to here for convenience :—

1: "The question of its further continuance may also be discussed".

2. "Who is responsible for the unsatisfactory state of the arrangements made for the collection of fees at the Sanitarium which gave such divergent results?".

3. "What action should be taken in this future to remedy matters in this respect and render the collections more satisfactory".

the matter of holding the Santhe for the present, for 5 years only, instead of permanently.

90) The Santhe has been in existence from 1900 or for over 12 years and if its continuance is to be on a temporary basis even now, I am afraid that much interest will not be taken in it, nor money spent on buildings and other general improvements.

91) This Santhe is held in a central locality, and it is likely to prove a nucleus of commercial enterprise for the surrounding villages.

92) For these reasons, the Santhe may, I think, be made permanent. If the conditions change in future, there is nothing to prevent Government from ordering its abolition.

ABSTRACT.

Pray for a reconsideration of the orders of Govt: directing the discontinuance of the weekly fair (Shandy) held at Chandapura in the Anekal Taluk.

[Refs. G.O. No. 3165-6/L.B. 312-11- & 19 Oct 12]

(Re miscellaneous)

Chandapura is centrally situated with respect to Anekal, Hosur and Bangalore. It is represented that money has been lent on the produce of gardens in the neighbourhood, that the Sante has been abruptly stopped and that there is plague in Anekal at present. The petitioners request that the Sante may be kept on at least for 12 weeks more to enable them to recover their dues.

This seems to be a commercial concern and there does not seem to be any objection to the temporary continuance of the Sante asked for by the petitioners, in spite of the fact that the income of the Anekal Municipality suffers.

The question of its further continuance may also be discussed.

Dear Mr Rajagopalachari

Adverting to your D.O letter
of yesterday calling for certain infor-
mation & my opinion regarding the
Shandy al-Chandapur, Anekal
Taluk, recently reported to be
discontinued, I beg to state,

that there can be no objection
to Christians' prayers being allowed
to Chandy continued for a few years
as before has also been the
case at
the Bekal town.

Chandapur Chandy had become
an important citizen owning
property in Bangalore and given
a fair chance would have equalled
any given highest Hindu merchant in

district.

The income from the above
[illegible] to the district funds was about
Rs annually deducted the indifferent
[illegible] employed for collection.

But the petty traders of Anekal
town have been bitterly complaining
that their bread is being taken away
from their hands as the producers
have begun to deal directly with

the Bangalore merchants at the Ch
Shandy & that it has militate
the municipal octroi income
Cinsplaint too is not without of
striking a balance of advant
& disadvantages I am inclined to the
that the good points in favour of
the Shandy keep of Cinsiment, predominate

Most Honoured Sir,

The humble memorial of several merchants and ryots of Matigiri Remount depot Hosur Taluk Salem District most respectfully sheweth

That the shandy at Chenda-pur village in the Anekal Taluk, i.e at a distance of 7 miles from Anekal) was being held for the last 12 or 13 years, by which most of the poor people were earning their livelihood, and it was only held at that time for the common good of the people surrounding Chendapuram and other plains.

That aforesometime most of the merchants at Bangalore Anekal Hosur & Matigiri began to carry on trade in the above shandy and kept on so, until it was abolished i.e a month ago

That the memorialists sold their stuffs to the different customer

The Dewan of Mysore,

Bangalore.

Most Respected Sir,

I, the undersigned humbly beg to bring the few following lines to your most kind Consideration.

1. When Plague, for the first time, broke out in the Anekal Taluk, people had to live in Sheds, and the Government, on application, ordered that a Sante might be held near Chandapur which is in the centre of this Taluk.

2. Afterwards, when people returned to their respective homes, the Merchants were highly surprised to find that not a single Customer would enter their Shops, and thus trade began to fall.

3. Such being the case, the Government, with the opinion of the Municipal Board, Sanctioned the collection of Octroi Revenue in the Rural Area.

4. The people, year after year, represented their difficulty to the being kept of the Government and the higher authorities such as the Dewan, the Councillors etc. on visiting this Taluk and examining the Spot where the Sante is being held, were fully convinced of the fact that the holding of the Sante near Chandapur is the chief Cause for the fall of Trade in this

Taluk

52

Taluk and accordingly, the Government, in their Proceedings No: 3165-6 L. B. 312-11-6 dated, Bangalore, the 9th October 1912, were pleased to order its abolition.

5. Some Ryots of Chandapur and other surroundings villages, being deputed by their Leader - the Shanbhogue of Banahalli who is getting some remuneration for the ownership of the Land where the Sante is being held, applied to the Government that the Sante might be Continued for ever as before. and not with success as the Government were pleased to order that the Sante might be Continued for a period of three months more or until further orders.

6. This recent order has very much puzzled the minds of all the trading merchants and other inhabitants of this Taluk and so, your Honour is humbly requested to kindly consider the welfare of this Taluk and order the Cancelation of the said Sante.

Awaiting the favour of an Endorsement to this application,

I beg to remain,
Most Respectd Sir,
your most obedient Servant,

Sir,

Adverting to your letter No.4432/L.B163-12-2 dated the 19th December 1912, regarding the continuance of the Shandy at Chandapur, Anekal Taluk, and calling for a report in the matter, I have the honor to state as follows:-

1. In the Bangalore District, about 42 santes are being held in the several Taluks, and in no sante except the one at Chandapur fees are levied. The holding of the Sante at Chandapur and the levy thereat of prescribed fees tentatively for one year were sanctioned by Government in their order No.3707-8/L.B.336-01-6, dated the 19th October 1909, and again it was ordered to be continued tentatively for another year vide Government order No.8734-5/L.B. 285-10-3 dated the 24th April 1911. Collection of fees commenced from January 1910, and the actual collections during that year amounted to Rs.937/-. In the subsequent years, collections began to fall off, as may be observed from the statement enclosed. The decrease in the collections is attributed to the collecting agency viz. the Patel and Shanbhog of the Chandapur village and the Kotwal of the Travellers' Bungalow at Hebgodi, Anekal Taluk, not being adequate. Besides, the Sante is held on an open ground without any enclosure to prevent ~~against~~ smuggling. Further, shops are opened on shandy days for a couple of hours, thus there is much scope to the shopkeepers to escape from payment of fees. Unless a large establishment is maintained, it is not possible to expect fair collections owing to the Shandy being held in an open maidan. It is a question whether the entertainment of a large collecting agency would

5

would be feasible in as much as the collection of fees (~~for the time being~~) at the Shandy is still in an experimental stage. The present collecting staff is given an allowance of Rs.2/- per mensem to each of the Patel and Shanbhog and Rs.3/- to the Kotwal as sanctioned in the Government order dated 19th Octpber 1909. Mr.Thumboo Chetty, Superintendent of Police, Bangalore District, who was requested to check the collections was able to collect the amounts shown in the enclosed statement. The amount collected on the 2nd visit of his, was with the help of the Police constables and Taluk officials, which arrangement cannot possibly be expected to be made on every shandy -- day. Copy of letter No.1908/M dated 7th February 1913, from the Superintendent of Police is herein enclosed for kind perusal. The Sub-Division Officer of Dodballapur Sub-Division, and the Amildar of Anekal, supervised the collections during the sante held on the 8th February 1913. The collections were fair and may be said to be due to their personal supervision.

2. The sante is being held in Narasiah's Tope, instead of on the Sircar gomal land survey No.27 of Chendapur village, as -- there being no shelter in the Sircar gomal land. If the sante is to be held on the gomal land, fair collections cannot be -- expected even if sufficient No. of Mutsadies and peons is sanctioned, unless a barricade is put around the land with one or two gates. A few stalls will have to be erected for the shop keepers to expose their things for sale, and also a few trees planted for shelter to the people attending the Sante. An -- estimate for all the above improvements will be submitted if approved. Until the necessary barricade and other arrangements are carried out, an establishment of 4 mutsadies on Rs.8/- and 4 Peons on Rs.6/- may be sanctioned by Government as a temporary measure.

3. The petition received with your letter under reference has been forwarded to the Sub-Division Officer, Dodballapur -- Sub-Division, for report and on its receipt further report will be submitted in the matter.

I have the honor to be
Sir,
Your most obedient servant,

Deputy Commissioner.

Copy of letter No. 1908 / Mis dated 7th February 1913, from the Superintendent of Police Bangalore District, to the Deputy Commissioner, Bangalore District.

6666-66-6 6-6-6-6-66-

I have the honour to state that as requested by you in your D.O. letter dated 21-1-13, I attended the Chandapur Shandy on 25-1-13. The Patel, the Shanbhog, and the Traveller's Bungalow Kotwal of Hebgodi are entrusted with the collection of fees. I wanted to see the method adopted by these officials in collecting them, and accordingly made no arrangements of my own, to prevent anybody who was liable to pay the prescribed fee under any item getting into the Shandy Tope without a printed pass. At about 2. P.M. when the Shandy was in full swing and everybody had brought in articles for sale, I asked fpr the production of passes. More than half the number had not paid the fees at all, and it was a quite a difficult task to levy fees inside the Shandy Tope, wherein a very large number of people had gathered. As per Govt. Order No 3707-8/L.B.336-07-6, dated 19th October 1909, a fee of 4 annas had to be levied on each shop as shop rent. This fee was not being levied at all. I asked the Taluk Sherestedar, who was present, why its levy was not enforced, but he was not in a position to give me any satisfactory reply. Of course, in the case of petty stalls wherein articles of small value woth Rs. 5 /- or so are exposed for sale, the levy of the shop rent may operate as a hardship and non-levy may be justifiable, but there were several stalls in which cloth etc., of considerable value were sold ant no exemption from the payment of rent can, as a matter of right, be claimed by the owners thereof. I instructed the Taluk officials to use their descretion in the matter of the levy of the shop rent and thus give effect to Government order.

On 25-1-13 the amount collected was Rs. 24-5-9. The amount collected the previous week (18-1-13) was Rs. 30- 13-9. A Jatra having been held the same day at Hennagara, a Village about 4 miles away from Chendapur, all the cattle that used to be taken to the Shandy were taken to the Jatra. On 18-1-13 the fees levied on the cattle amounted to Rs. 22/-. If this amount

is

prededucted from Rs. 30-13-9 the balance, viz.,Rs.8-13-9 re-- presents the amount collected as fees under other or miscellaneous items on 18-1-13. Deducting Rs.1 - 5 - 0 (Cattle fees) from Rs. 24-5-9, the balance viz, Rs. 23-0- 9 is the amount collected under miscellanaeous items on 25-1-13. There has therefore been an increase of Rs. 14-3-0 in the levy of fees under miscellaneous items on 25-1-13.

I attended the Shandy once again on 1-2-13 and made my own arrangements to issue passes and the amount collected was Rs. 88-9-9 (this includes cattle fees) . My arrangements were more or less elaborate and it would not be possible for the Taluk Authorities to make similar arrange-- ments on each Shandy day. Instead of entrusting the Collection work to the petty Taluk officials, the Kotwal, the Patel, and the Shanbhog, it would be better to sell the right of collection once a year. I have forwarded herewith three statements.

(1). Showing the collections under several heads on 18-1-13 and 25-1-13.

(2). Showing the collections under several items on 1-2-13.

(3). A Copy of statement furnished by the Amildar shewing the monthly collections for the last three years.

(About 10 or 12 Constables' services were utilized to prevent people from going into the Shandy Tope with articles for sale without printed receipts. Besides the constables the Patel and the Kotwal and about a half a dozen Taluk Officials were directed to levy the fees and issue the printed receipts.)

DIARY No. 4802

10/2/1913

Deputy Commissioner's Office,

Bangalore, 15th February 1913

My Dear Sir,

In reply to your D.O.No6234/L.B163-12 dated 14th instant, I write to say that the report regarding the Chendapur Sante has been sent with this office letter No.S.359 dated 14th instant.

Yours Sincerely,

for Deputy Commissioner

To

T.Govinda Rao Esq.,

Assistant Secretary to Govt.

Genl and Rev.Departments.

Petition from Gigani Ramaswamappa residing in Chandapura Chatram and others.

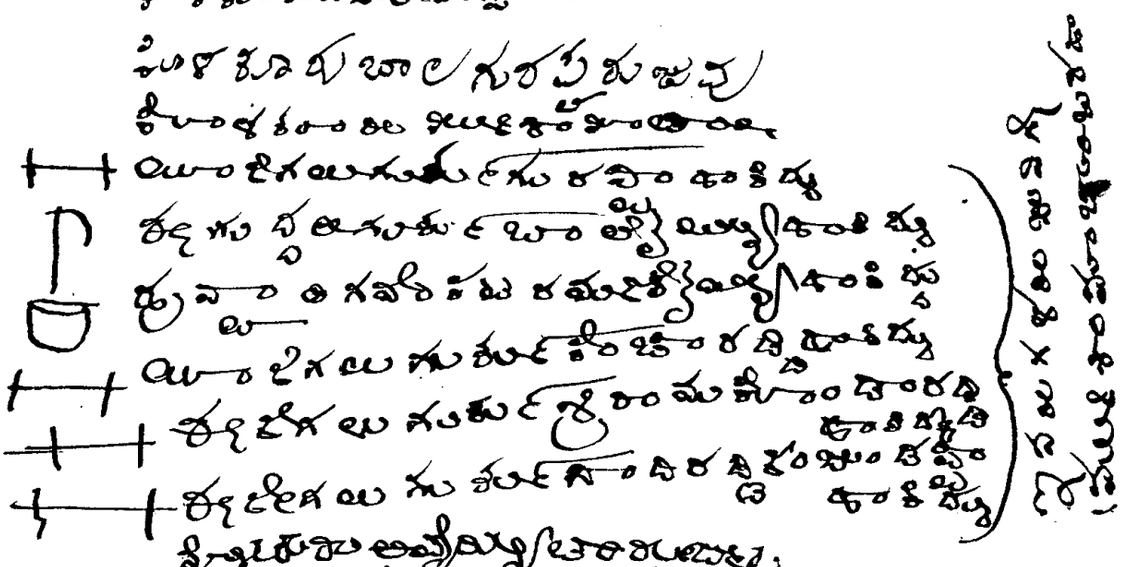
Dated 29.1.1913

Addressed to the Dewan — Dewan's office No. 422 dated 13.2.1913

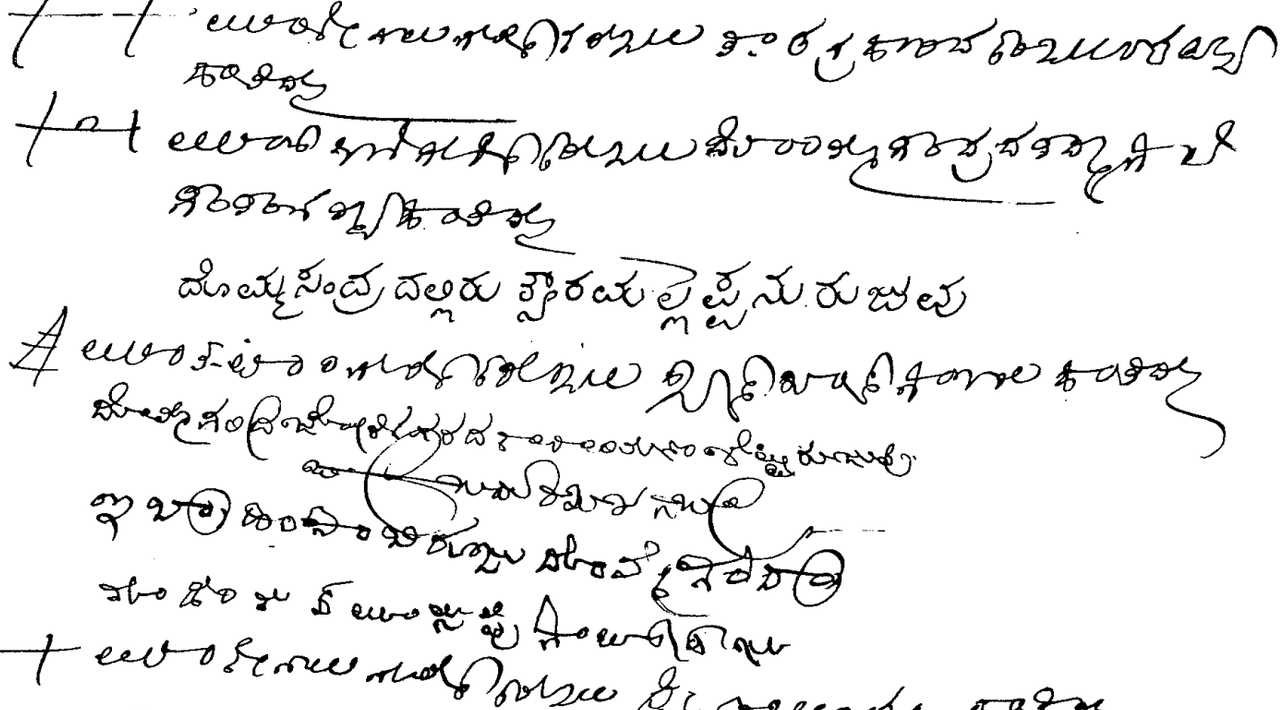
Received in the Branch on 19.2.1913.

Subject

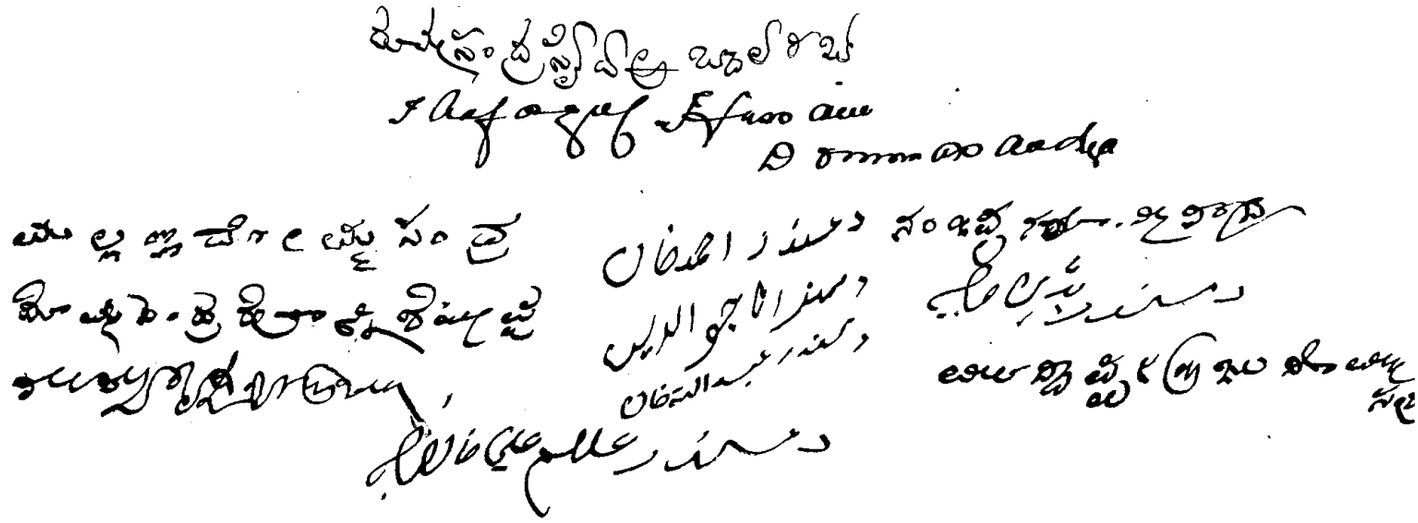
Complaining that the Taluk Board members and others are trying their utmost to have the Chandapura Santhe abolished which has been recently ordered to be continued for sometime longer, state that it is very useful and yields a large income to Govt. Which fact can be judged by personal inspection of the Santhe on any Saturday. and pray therefore that the Santhe may not be abolished —



M. Waganna Dommasandra



G. Syed Ahamed Dommasandra



the complaints of a few of the self conceited citizens of Anekal requiring imaginary trouble and loss is frivolous and is the outcome of factious feeling.

(5.) That the shandy is held in a convenient place which is a centre to many villages around. It is some 15 miles to Bangalore and 9 miles to Hosur and a good deal of things are imported to the shandy from Bangalore city.

(6) That besides being useful to the people, the shandy is remunerative to Government. At present, it is mismanaged departmentally. A large sum between R.1000 to R.1,500 may be expected by Government in the shape of fees if the right of collecting fees thereof is leased out. A trial for one or two years in this way will convince the Government of the truth of this statement.

(7) That in the face of the above facts and figures, it is surprising to your humble petitioners how the local authorities consider it necessary to close the market which has been working so long a time satisfactorily to the best of both the Government and their humble subjects.

(8) That in conclusion, your humble petitioners beg leave to request the authorities to give their careful consideration to this important question make personal inspection and enquiries and render justice by permitting the shandy to be held as usual.

(9) For which act of kindness your humble petitioners shall feel highly obliged.

10th February 1913

Your humble petitioners beg to remain,
Most Honoure. Sir.
Your most obedient servants.

Sir,

I have the honour to acknowledge receipt of your docket No. 6535 / L.B. 163-12-24 dated the 26th February 1913, calling for certain particulars regarding the Sante at Chandapur in the Anekal Taluk, and for the report promised in the concluding portion of my latter No. S. 359 dated 13/14 February 1913 on the petition of Shanbhogue Narasimhiah and others regarding the continuance or the Sante, and to state as follows :-- Cl. 20

2. The Amildar of Anekal to whom the petition was referred for a thorough enquiry and report, states in addition to the facts already reported, that none of the santes in the neighbourhood is so popular as the one at Chandapur which possesses advantages that the others have not got, that it is centrally situated in the Taluk and is equidistant from Bangalore and Hosur and it has got three high roads leading to it and adds that the very fact that it is more patronized by the people of Hosur and Mattikere proves that the Shandies nearer home at Attibele and Anekal do not supply them with all the things they require. The Amildar further states in conclusion that the grievance of the Anekal people that Chandapur Sante ruined the trade is undoubtedly a real one and that if the discontinuance of the sante is not possible, the Octroi duties at Anekal may be abolished and to make up for the loss sustainable by the Municipality by abolishing the octroi duties

78

duties, a sum not less than Rs 500/- per annum be given to the Municipality from the collections made at the sante.

3. As regards the querry who is responsible for the unsatisfactiry state of the arrangements for the collection of fees at the Sante, the Amildar reports that it was due to inadequate arrangements in the way of collecting and checking, as the same was left entirely in the hands of three low-paid officials. This fact was already reported in my latter No. S. 309 dated 13/14 February 1913. Further the fact that the want of an enclosure at the place also contributed to low collection was also pointed out.

4. Lastly, as regards the steps required to remedy matters are the construction of an enclosure and the provision of additional hands on better pay for the collection work. My proposals were for the entertainment of four Mutsaddies on a pay of Rs. 8/- each and four peons on Rs.6/ each per month. In addi tion to the above establishment, a Market Sergeant on a monthly pay of Rs. 15/- may also be entertained for collection work.

5. The Petition registered No. 105, from Shanbhog Narasimhiah and others received with your letter No. 4432 /Lb 163-12 dated the 19th December 1912, is herewith returned.

6. A petition, registered No. 66 dated 12-2-1913, received in this office, from the villagers of Chandapur Village, praying for the discontinuance of the sante, is also herewith submitted for information.

I have the honor to be,
Sir,
your most obedient servant.

In September 1912
the Deputy Commr, Bangalore St,
reported that the Chendapur
weekly market opened in 1900
might be discontinued as
the realizations from the levy of
fees thereat were decreasing
and the octroi revenue of
the Anekal municipality
was suffering diminution.
Accordingly the discontinuance of
the market was ordered by Govt
in G.P.W.C. 3165-6/LB 312-11-6 dated 19th Oct 1912.

that the Shandy, owing to its Central situation is likely to prove a nucleus of Commercial enterprise for the surrounding Villay Accordingly they are pleased to direct that it be continued permanently.

5) Turning to the causes of the decrease in the realization of the market fees Govt are disposed to attribute it to want of Supervision, probable lack of honesty on the part of petty officials entrusted with the collection and the absence of a regular system of levy. The very satisfactory Collections of fees made by the Superintendent of Police on one occasion and the Assistant Commissioner & the Amildar on another occasion under the Special orders of Govt, are confirmatory of this view.

6) The President's proposal to entertain the Collection establishment at a Cost of Rs 852 per annum Can not

be sanctioned as it involves an expenditure out of proportion to the highest income in any one year and is not in conformity with the accepted principle that in such cases the Cost of Collection should not exceed 10% of the gross income. . .

7) Government order that the proper lines for working and developing the Concern are as follows:- . .

(1) The right to Collect fees should be sold by auction year after Year Commencing from 1st July 1913 immediate arrangements being made for the publication of the necessary Sale notification in the Mysore Gazette in the form appended.

2) 75% of the annual yield from the market should be set apart for the construction of suitable stalls, to begin with a Compound wall and drains and afterwards. ~~the Collection of fees to afford the cost etc.~~

3) The private land on which the weekly market is now held
